

***To Whom It May Concern:***

Please accept this letter of recommendation for Lawrence & Perry BBQ for your next event. I recently utilized the services of Lawrence & Perry Barbeque during the holiday season for a Christmas Eve dinner for my family and I. I was thoroughly impressed with their services from start to finish.

My experience with them began when I was referred to their business website to inquire about their services. I was very impressed with the site – particularly the menus and photographs that helped me make my decision for my event menu. Requesting their services through the site was very easy and user friendly, which was a plus!

After I submitted my inquiry, I heard from them within a couple of days to review details. Cherrelle went over the menu with me and provided recommendations based on my event needs. Shortly after, they met me to check out the venue and listened to be as I shared my vision and plan for the event.

The day of the event, they were right on-time. They set everything up and were very thoughtful by not taking me away from any of my day-of duties. The appetizer - fresh fruit and cheese display - was very attractive and received several compliments from my family and friends. Their set-up of serving dishes was very professional in appearance. I loved that everything was fresh! Having a caterer that prepares food right on the spot, is hard to find, and they do a phenomenal job at ensuring the food is hot and ready on-time. Not only was the food hot and fresh – it was delicious! Everyone kept talking about how great the flavor of the food was.

I also liked that they kept checking in with me throughout the event to ensure the food was stocked and even stayed around post-event to make sure everything was the way I needed it to be. I strongly recommend this amazing group of young people for any catering event!

Thank you again for sacrificing your Christmas Eve to make sure that my family and I had an enjoyable gathering!

Warm Regards,
